2. Implementation date of eligibility change: March 4, 2013

3. Description of policy, including the change from prior policy:

All applicants and participants for Temporary Assistance (TA) benefits who are age eighteen (18) or older and are the head of household will complete a screening for illegal use of a controlled substance. The screening determines if an individual applying for TA benefits must be referred for a drug test. Participants who are age eighteen (18) or older and are the head of household and are receiving Temporary Assistance (TA) benefits are submitted quarterly to a match with the Missouri State Highway Patrol (MSHP). This match searches law enforcement records for participants that have an arrest or conviction for a misdemeanor or felony drug offense for the previous 12 months. If there is a match, the participant is referred for a drug test.

4. Description of the methodology used to calculate the estimated impact of this eligibility change:
